

NOBIN MORSALIN

Full Stack Developer & Premium UI/UX Designer
Building beautiful, performant, and accessible digital experiences

Email: nobinmorsalin7@gmail.com | WhatsApp: +8801795456495
Location: Damudya, Shariatpur, Bangladesh | Portfolio: offerlutbox.com

PROFESSIONAL SUMMARY

Creative Full Stack Developer and UI/UX Designer with 3+ years building premium digital products that combine stunning visuals with robust engineering. Specialized in design systems, responsive interfaces, and high-performance applications using React, Next.js, Laravel, and Tailwind CSS. Fluent in design tools (Figma) and modern web development. Passionate about accessibility, performance, and user-centered design. Expert in AI-assisted development.

CAREER OBJECTIVE

Seeking Creative Developer or Senior UI/UX role to lead design-driven product development, build scalable design systems, mentor teams on accessibility, and create inclusive experiences. Committed to building beautiful interfaces that are both functional and high-performing.

TECHNICAL SKILLS - FRONTEND

HTML5: Semantic markup, accessibility, progressive enhancement, proper structure

CSS3: Flexbox, CSS Grid, custom properties, animations, transitions, responsive units

JavaScript: ES6+, DOM manipulation, event handling, async/await, interactive components

React: Component architecture, hooks, state management, performance optimization

Next.js: Server-side rendering, static generation, image optimization, API routes

Tailwind CSS: Utility-first workflow, component composition, custom theming, dark mode

AJAX & REST APIs: JSON consumption, async data loading, error handling, WebSockets

TECHNICAL SKILLS - BACKEND & INFRASTRUCTURE

PHP: Object-oriented programming, design patterns, best practices

Laravel: MVC architecture, Eloquent ORM, migrations, authentication, routing, middleware

Node.js & Express: RESTful API development, middleware, error handling, request routing

MySQL: Database design, optimization, indexing, query tuning, migrations, relationships

PostgreSQL: Advanced queries, JSON support, relationships, performance optimization

DESIGN EXPERTISE

Visual Design: Color theory, typography, spacing systems, icon design, brand systems

UI Components: Buttons, forms, navigation, modals, cards, data tables, complex layouts

Interaction Design: Micro-interactions, transitions, animations, feedback, hover states

UX Principles: User research, wireframing, prototyping, usability testing, accessibility

Responsive Design: Mobile-first approach, adaptive layouts, breakpoint strategy

Design Systems: Component libraries, design tokens, documentation, consistency at scale

Tools: Figma (expert), Adobe XD, CSS animations, prototyping, handoff documentation

SPECIALIZED COMPETENCIES

SEO & Technical SEO: Meta tags, structured data, Core Web Vitals, performance metrics

Performance Optimization: Code splitting, lazy loading, critical CSS, image optimization

Responsive Web Design: Mobile-first, flexible grids, breakpoint strategy, touch-friendly

UI/UX Understanding: User psychology, interaction patterns, accessibility (WCAG 2.1 AA)

AI-Assisted Development: GitHub Copilot, ChatGPT, Claude for code generation, workflows

Flutter (Basic): Mobile app development, widget architecture, state management

FEATURED PROJECTS - OfferLutBox.com

Complete Product Design + Full Stack Development

Description: Premium SaaS affiliate platform with design system and technical foundation.

DESIGN WORK:

- Designed 50+ reusable UI components in comprehensive design system
- Intuitive dashboard UI for affiliate marketers with real-time analytics
- Responsive layouts: desktop, tablet, mobile with touch optimization
- Micro-interactions and smooth animations throughout user experience
- WCAG 2.1 AA accessibility compliance, keyboard navigation, screen reader support
- Performance optimizations: critical CSS, image optimization, lazy loading

TECHNICAL IMPLEMENTATION:

- Backend: Laravel 10 with 50+ RESTful API endpoints for offer management
- Frontend: React + Next.js dashboard with real-time data updates
- Database: PostgreSQL with optimized schemas for tracking and analytics
- Caching: Redis for high-volume conversion data and queue management
- Deployment: Docker containers on Linux VPS with Nginx and SSL

Results: 99.5% uptime, 94 Lighthouse score, 100K+ daily conversions, 150+ users

DESIGN SYSTEM COMPONENTS

Comprehensive Component Library (50+ components) for OfferLutBox.com

FOUNDATIONAL ELEMENTS:

- Buttons (primary/secondary/ghost states), Form controls (inputs/selects/toggles)
- Cards (standard/expandable with hover effects), Navigation (sidebar/breadcrumbs/tabs)

DATA DISPLAY:

- Tables (sortable/filterable), Charts (line/bar/pie), Metrics (KPI cards/trends)
- Alerts (info/success/warning/error), Progress indicators, Status badges

INTERACTIONS:

- Modals with focus management, Tooltips with smart positioning
- Dropdowns with keyboard nav, Loading states with skeleton screens
- Empty states with illustrations, Toast notifications with auto-dismiss

ACCESSIBILITY:

- Keyboard navigation, ARIA labels, WCAG AA color contrast, Focus indicators
- Screen reader optimization, Semantic HTML, Proper heading hierarchy

EDUCATION & PROFESSIONAL DEVELOPMENT

Current: Shariatpur Government College, Bangladesh
Self-directed learning in modern web design and development

Secondary: SSC (GPA: 3.78) - Shariatpur Government School

Professional Training & Certifications:

- Figma Advanced: Design systems, prototyping, collaboration, handoff workflows
- Web Design Fundamentals: UX principles, accessibility, responsive design patterns
- CSS Mastery: Animations, transitions, modern layout, performance techniques
- JavaScript Advanced: DOM, ES6+, async, event handling, interactive components
- React & Next.js: Components, hooks, SSR, static generation, performance
- Laravel Backend: MVC, database design, API development, authentication
- Accessibility: WCAG 2.1, ARIA, inclusive design, assistive technology

Self-Taught Expertise:

- UI/UX design psychology, performance optimization, Docker deployment,
- Technical SEO, AI-assisted development workflows, design systems at scale

PERSONAL INFORMATION

Full Name: Nobin Morsalin | Gender: Male | Nationality: Bangladeshi

Father's Name: Nasir Sikder
Mother's Name: Ferdousi Begum

Permanent Address: Purbakandi, Damudya, Shariatpur, Bangladesh
Present Address: Same as Permanent Address
